The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**ANNEXATION AND LEVYING OF ASSESSMENTS TO THE CONSOLIDATED
SEWER MAINTENANCE DISTRICT OF 30 PARCELS WITHIN UNINCORPORATED
TERRITORIES AND THE CITY OF SANTA CLARITA
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

SUBJECT

This action is to approve annexation of new territories into the Consolidated Sewer Maintenance District of Los Angeles County and imposition of sewer service charges on parcels within the annexed territories.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this action is categorically exempt from the California Environmental Quality Act.
2. Adopt the Resolution of Intention to annex 30 parcels listed and described in the Resolution to the Consolidated Sewer Maintenance District and to order the levying of sewer service charges within the annexed parcels.
3. Set the matter for public hearing and instruct the Executive Officer of the Board of Supervisors to publish the notice in both English and Spanish newspapers.
4. Instruct the Director of Public Works or her designee to notify property owners of all identified parcels of real property within the annexation

parcels by United States mail of the amount of the Consolidated Sewer Maintenance District's sewer service charge to be imposed upon each property; the basis for calculating the sewer service charge; the reason for the sewer service charge; and the date, time, and location of the hearing not less than 45 days prior to the date set for public hearing.

5. Instruct the Director of Public Works or her designee to post notices of the hearing in at least three conspicuous places in the territory proposed to be annexed and in at least three conspicuous places in the Consolidated Sewer Maintenance District. The notices shall contain a description of the territory proposed to be annexed; the date, time, and location of the hearing; and shall be posted not less than 10 days prior to the date set for the hearing.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the annexations and assessments are to meet operational expenses to maintain service within the proposed annexation areas, and are categorically exempt from the California Environmental Quality Act.
2. Determine whether a majority written protest against the proposed annexation or assessment exists.
3. Find that the parcels proposed to be annexed will be benefited by the annexation, authorize the boundaries of the Consolidated Sewer Maintenance District to be altered to include such benefited parcels, and order levying of sewer service charges within the annexed parcels to be effective in Fiscal Year 2010-11.
4. Adopt the Property Tax Transfer Resolution approving and accepting negotiations that there will be no exchange of property tax revenues from annexation of the 30 parcels.
5. Instruct the Director of Public Works or her designee to file the necessary statement of boundary change with the State Board of Equalization and the County of Los Angeles Assessor's Office.
6. Make a finding terminating the proposed annexation and levying of assessment proceedings where the proposed annexation and levying of assessments have been rejected, if any, as a result of a majority protest and refer the matter back to the Department of Public Works.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to annex parcels benefiting from sewers to the Consolidated Sewer Maintenance District (District). There will be no exchange of property tax revenue as a result of these annexations.

Approval of the proposed annexations will allow the District to continue to maintain the local sanitary sewers. The sewer service charges to be imposed on the annexed parcels are to provide funding for the District to maintain the sewer facilities.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3) by annexing new territories into the District and levying charges to ensure that sufficient funds are raised for continued maintenance of the sewer system in a cost-effective, safe, and environmentally sound manner.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. This action would generate an estimated \$200,000 in yearly revenue to the District in assessments from properties located within the annexation areas starting in Fiscal Year 2010-11 to provide continued support for ongoing sewer maintenance operations.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

These recommended actions are required to annex parcels benefiting from sewers to the District.

The areas to be included are located within unincorporated territories and the City of Santa Clarita. Consent and jurisdictions for these annexations were granted by the affected city in accordance with Section 4895 of the Health and Safety Code. The City of Santa Clarita has adopted a resolution, on file with the Executive Officer of the Board of Supervisors, granting consent and jurisdiction to the County of Los Angeles for the inclusion of City of Santa Clarita territory in the District.

The Resolution of Intention (Attachment A) identifies the areas served and proposed to be annexed in accordance with Chapter 4, Part 3, Division 5 of the Health and Safety Code, as amended, of the State of California. Assessments shall be determined in accordance with Title 20, Divisions 2 and 3 of the Los Angeles County Code. The

proposed assessment of sewer service charge is subject to majority approval of the property owners. In the absence of a majority protest, the assessment shall be effective starting in Fiscal Year 2010-11.

Section 4896 et seq. of the Health and Safety Code requires that your Board may, by resolution, fix a time and place of hearing of the proposed annexations. Public Works shall post the required notices of public hearings.

As required by Section 4899 of the Health and Safety Code, your Board shall direct the Executive Officer to publish a notice of the hearing (Attachment B) in a newspaper of general circulation once a week for two successive weeks.

The California Constitution, Article XIII D, Section 6(a), requires that owners of parcels subject to increased or new sewer service charges be notified by mail no later than 45 days before the public hearing of the amount of charge and method of determination, and the date, time, and location of the hearing. In the event a weighted majority of property owners protest an increased charge within any district, such charge may not be imposed.

Pursuant to Section 99 of the Revenue and Taxation Code, there will be no exchange of property tax revenues as a result of this action.

The Director of Public Works or her designee shall file the necessary statement of boundary change with the State Board of Equalization and the County of Los Angeles Assessor's Office as required by Section 54900 of the Government Code and Section 99 of the Revenue and Taxation Code.

In accordance with Section 58851 of the Government Code, this proposal was reviewed by the Director of Public Works or her designee and the County of Los Angeles Assessor's Office. The boundaries were approved as to definiteness and certainty and are shown on the attached legal descriptions.

The Resolution of Intention, Property Tax Resolution (Attachment C), and Notice of Hearing have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed annexation and levy of sewer service charges is to fund operating expenses to maintain services in existing service areas and is exempt from the California Environmental Quality Act pursuant to the Public Resources Code, Section 21080 (b)(8).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This action will result in the annexation of an additional 39 miles of sewer lines to the District. The revenue to be generated will be sufficient to fund the services to be provided. The recommended action will have no negative impact on current County services or projects.

CONCLUSION

Please return two adopted copies of this letter to the Department of Public Works, Sewer Maintenance Division.

Respectfully submitted,

GAIL FARBER
Director of Public Works

RESOLUTION NO. 89-16

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA CLARITA, CALIFORNIA GRANTING CONSENT AND JURISDICTION TO THE COUNTY OF LOS ANGELES AND FOR THE INCLUSION OF CERTAIN TERRITORY OF THE CITY OF SANTA CLARITA WITHIN A COUNTY SEWER MAINTENANCE DISTRICT.

WHEREAS, portions of the City of Santa Clarita are already included in a County sewer maintenance district; and

WHEREAS, additional sewers have been or are scheduled to be constructed within the City; and

WHEREAS, currently the City does not have the forces nor the equipment necessary to maintain sanitary sewers; and

WHEREAS, it appears in the public interest and convenience that all areas served by sanitary sewers in the City of Santa Clarita be included in a County sewer maintenance district.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Santa Clarita as follows:

SECTION 1. That the public interest and convenience require all territory served by sanitary sewers within the boundaries of the City of Santa Clarita be included in a County sewer maintenance district formed for the purpose of maintaining local sanitary sewers pursuant to Chapter 4, Part 3, Division 5 of the Health and Safety Code, as amended, or Chapter 26, Part 3, Division 7 of the Streets and Highways Code, as amended, of the State of California.

SECTION 2. That pursuant to the authority vested in it by Section 4895 of said Health and Safety Code, or Section 5837 of said streets and Highways Code, the City Council, being the legislative body of the City of Santa Clarita, hereby consents to the inclusion of any of said territory within a County sewer maintenance district as soon as said city territory is served by sewers, or is assured of having sewer service in the near future, and to the exercise of exclusive jurisdiction by the Board of Supervisors of said County of Los Angeles over all proceedings necessary thereto for the purpose of consummating the same pursuant to applicable laws.

SECTION 3. That said consent and jurisdiction granted to the Board of Supervisors as set forth in Section 2 of this Resolution shall not be construed to request, require or permit the immediate inclusion of all territory within the City of Santa Clarita in a County sewer maintenance district, but only to request or permit the immediate inclusion of areas that are now served by sewers, or that are assured of having sewer service in the near future.
